Speciality Teas & Coffees Menu

SPECIALITY TEAS

A number of research studies have been conducted over the past few years. These have shown a range of health benefits from drinking everyday tea. This has increased public awareness of the wide varieties of teas available and we are now delighted to offer you an additional choice of speciality teas obtained by us direct from Importers of Fine Teas. These teas will arrive at your table freshly brewed. For each one we have given the recommended brewing time. Taking milk with tea is purely a matter of choice. We will gladly serve lemon if desired.

EARL GREY

Based on the original Earl Grey recipe, it is a blend of the finest Oriental teas, delicately scented with bergamot. Recommended brewing time 2-3 minutes.

DARJEELING

Grown at the base of the Himalayas, it has an almost grapey Muscatal taste, hence it is known as the 'Champagne of Teas'. Recommended brewing time 2½ minutes.

GREEN TEA

Being unoxidised, green teas are light, refreshing and delicate. Recommended brewing time 2 minutes.

CEYLON LEAF TEA

A high grown Orange Pekoe tea with a golden colour and fine bouquet. Recommended brewing time 3 minutes.

SMALL LEAF ASSAM

Especially suitable for those who like a strong cup of tea. It possesses a biting, raspy flavour and produces a dark brown liquor. Recommended brewing time 3-4 minutes.

NILGIRI LEAF TEA

This is from the Nilgiri hills in southern India. It is a flavoury tea, reminiscent of Ceylon, with brisk, pungent overtones. Recommended brewing time 3-4 minutes.

GUNPOWDER LEAF TEA

Tightly rolled grey-green leaves that unfurl when infused. This tea possesses a slightly fruity flavour and is a most popular grade of green tea. Recommended brewing time 3-4 minutes.

LAPSANG SOUCHONG LEAF TEA

A large leaf China Tea, Lapsang Souchong possesses a delightful 'smoky' flavour. Recommended brewing time 4-5 minutes.

JASMINE LEAF TEA

A large leaf black tea with Jasmine blossoms. A sweet refreshing infusion with a wonderful perfume and usually drunk without milk. Recommended brewing time 2-3 minutes.

KEEMUN TEA

A large leaf tea producing a light, mellow liquor. For those who have no experience of drinking China Tea, it is a good type to start with. It is also claimed to have less tannin than other teas. Recommended brewing time 2-3 minutes.

HERBAL INFUSIONS

LEMON & GINGER

A warming drink with a citrus lemon tang said to soothe fevers. The ginger is reputed to calm digestion, warm the body and relieve colds.

PURE FLOWERS OF CAMOMILE

Only the finest flowers are used in this infusion to give a clean, light taste. Camomile has always been noted for its calming and relaxation properties.

CRANBERRY, RASPBERRY & ELDERFLOWER

PURE PEPPERMINT

This infusion has a fresh taste only achievable by using pure peppermint with no other additives.
